“Health and Wholeness:
Reflections from a Public Health Traveller”

Orator

Dr. Roopa Devadasan

Dr. Roopa Devadasan trained in Christian medical college (CMC) vellore as a Physician and specialized in Public health after a decade of working with the Adivasi communities in the Nilgiris. The next 25 years have been an ongoing exploration into what health and healing mean through the eyes of a schoolteacher and a physician. She would like to share her journey of discovery.
